## 2007 Charity Partner

The 2007 event will benefit the Cystic Fibrosis Foundation.

The mission of CFF ([www.cff.org](http://www.cff.org)), a nonprofit donor-supported organization, is to assure the development of the means to cure and control cystic fibrosis and to improve the quality of life for those with the disease. In 2006, nearly 90% of every dollar of revenue raised was available for investment in CF research, care and education programs.
